**Re: Annual Status Report for Asbestos Related Litigation  
Estate of Louis Baich, Deceased  
Case Number: 217403**

Dear Attorney Ginella:

The Court has conducted a routine audit of the above referenced casefile. It appears that this case was initiated to administer proceeds from asbestos related litigation.

Please provide this Court with a written status report within thirty (30) days of the date of this letter. Your status report must provide the Court with the following information:

1. Why the above referenced probate case must remain open and the fiduciary's authority continued;
2. Whether there is any litigation, mediation or settlement proceeding pending, including the name of the court and the case number, and
3. A good-faith estimation as to when recovery is anticipated.

Upon receipt of your status report, the Court will continue this case as active for one additional year. Each year thereafter, you must continue to file an annual status report to maintain the case as active and the fiduciary qualified.

Should you fail to file the status report, the Court will summarily remove the fiduciary and close the casefile for inactivity. Please give this matter your utmost attention.

Very truly yours,

Hon. Dixie Park  
Probate Judge
