Please choose one:

This change in placement IS NOT to a more restrictive setting and therefore the Court's approval is not required.

This change in placement IS to a more restrictive setting and therefore the Court's approval is needed. The change in placement has not yet occurred.

This change in placement IS to a more restrictive setting and therefore the Court's approval is needed. The change in placement, however, has already occurred because any delay in authorizing the change in placement would have affected the health and safety of the ward.
